Hole-in-One Club Competition 2019

Why don't you go into the draw for a possible Hole-in-One prize?

The entry is only \$50.00, which is payable at the pro-shop and 100% of your entry fees are returned to the participants as prizes, which will be distributed on the last weekend in November 2019 (weather permitting).

All members (male and female) of Horsham Golf Club (HGC) are entitled to join the "Hole-in-One Club" by contributing \$50 payable at the pro-shop; (money to be accompanied by this entry-form above which provides basic players details).

The money collected is held in a fund until November 2019. At that point 50% of the fees are allocated evenly between those lucky enough to have had a Hole-in-One during the year in an official event at HGC. E.g. If 50 players entered at \$50 each then the pool of \$2,500 x 50% (\$1,250) would be distributed to those achieving a Hole-in-One. If only 1 player has an "Ace" they would get the entire \$1,250. If 10 players have a Hole-in-One then each would get \$125.

The remaining 50% is distributed amongst the other players via a shoot-out from 100 and 130 metres distance from either the 18th or 9th hole prior to Sunday brunch. Any Hole-in-One during the shoot-out is regarded as occurring after the main competition has closed and would only be paid out as nearest-the-pin on that day.

On the shoot-out day each club member will have 3-shots from each distance and the winner for each grade will receive ½ of the 50% pool. Grades are handicapped based and will include male and female players within that handicap bracket. If a player cannot participate in the shoot-out, they can nominate a proxy who has a handicap equal to or higher (bigger) than their own. In the shoot-out ladies get a 10-metre advantage on the two longer distances. If no-one is lucky enough to get a Hole-in-One during the year, 50% of the pool will be distributed via the shoot-out and the 50% is put back into your house account which can be used to buy pro-shop and/or bar purchases.

So what a great way to support the club and at the same time win incredible prizes! It's a "win-win" situation.
